COPYRIGHT ASSIGNMENT

This Copyright Assignment, made this 1st day of September, 1995, by and between Marvel Entertainment Group, Inc., a corporation of the State of Delaware, having its principal office and place of business at 387 Park Avenue South, New York, New York 10016 ("Assignor"), and Marvel Characters, Inc., a corporation of the State of Delaware, having its principal office and place of business at 26707 West Agoura Road, Calabasas, California 91302 ("Assignee").

WHEREAS, Assignor is the owner of registered and unregistered copyrights inherent in its comic books and comic book-related works, including but not limited to those set forth on Schedule A hereto, including all registrations and copyright applications relating thereto (collectively, the "Copyrights"); and

WHEREAS, Assignor is engaged in the business of, among other activities, creating comic books and comic-book related material through its own employees and through independent contractors who are party to work-for-hire agreements with Assignor, and Assignor will, therefore, after the date hereof, become the owner of the copyrights inherent in such newly-created comic books and comic book-related works (such new copyrights, the "Future Copyrights"); and

WHEREAS, Assignor is transferring to Assignee that portion of Assignor's business devoted to licensing of the Copyrights, among other intellectual property (the "Licensing Business"); and

WHEREAS, in order to conduct the Licensing Business, it is necessary for Assignee to acquire Assignor's entire right, title and interest in and to the Copyrights, and in and to the Future Copyrights, as they come into existence;

NOW, THEREFORE, by this document, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, and transfer to Assignee, and its successors and assigns, Assignor's entire right, title and interest, in the United States and all foreign countries, in and to the Copyrights and Future Copyrights, any renewals and extensions thereof, all rights of reversion and termination, all prior versions of the works and all works based upon, derived from, or incorporating such works, and in and to all income, royalties, damages, claims, and payments now or hereafter due or payable with respect thereto, and in and to all causes of action (either in law or in equity) and the right to sue, counterclaim and recover for past, present, or future infringement of the rights assigned to Assignee under this Copyright Assignment.

Assignor hereby agrees to execute any papers and to perform such other proper acts as Assignee and its successors or assigns may deem reasonably necessary to secure to Assignor and its successors or assigns, the rights hereby transferred.

This Copyright Assignment and its validity, construction and performance shall be governed in all respects by the laws of the state of New York applicable to agreements made and wholly performed therein without giving effect to principles of conflicts of laws. The parties consent and agree to the exclusive jurisdiction of the State and federal courts having jurisdiction over New York County, New York, with respect to any action which any party desires to commence arising out of or in connection with this Copyright Assignment.
